
\$20,000 HOME ON CAPITOL HILL.

Thomas Russell to Own Elegant Mansion of Three Stories of Tenino Stone.

An \$18,000 to \$20,000 home is what Thomas Russell will own on Capitol Hill when his mansion is completed.

Elegant is the word that may be used to describe this beautiful residence that will be constructed of Tenino stone, three stories high, with all the conveniences known to modern times.

Mr. Russell feels that the amount of money he will place in such a home on Capitol Hill will be an investment, as well as giving him a residence unequalled for beauty and for surroundings, in the West.

The J. A. Moore Investment Co. have had no difficulty in demonstrating the advisability of men of wealth building at once on Capitol Hill, and in fact to those who want exclusive homes that must cost no less than \$3,000. Capitol Hill Addition prices offer at the present great advantages. Elegant view, streets paved, walks in place, grading done, sewerage and water mains, all these are combined with really low prices for the lots in this beautiful suburb.
